

THE FUNDRAISING COMMUNITY FOR THE MINSTER SCHOOL

Making more possible for every student.

We bring students, families, staff and local businesses together to fund more resources, experiences and opportunities at Minster. The community suggests the priorities, everyone gets a voice and every pound is visible.

ANNUAL FUNDRAISING TARGET

£50,000

£0 confirmed to date. Replace with the current confirmed total before publication.

IN SHORT

£50,000

annual fundraising target

£10 a month

to become a Future Maker

One open vote

for students, families and staff

Purpose, vision and mission

- PURPOSE** We exist to fund the resources, experiences and opportunities that help Minster students get more from school.
- VISION** A Minster where the whole community helps create more opportunities for every student.
- MISSION** We aim to raise £50,000 each year through Future Makers, events and local partnerships. The school community suggests and votes on priorities, and we show openly what is raised, funded and delivered.

How it works

01	02	03
Suggest it	Vote on it	See it happen
Students, parents, carers and staff can tell us what Minster needs, what it could make possible and approximately what it would cost.	The school community helps set the priorities, with students voting on equal terms with adults.	We publish the target, track every funding pot and show what the money pays for.
Community voting helps set Minster More's funding priorities. The charity's trustees retain final responsibility for approving expenditure in line with the charity's purposes.		

What we fund

Each funding priority is published with what it would cost, what it would make possible and how far the money has got. Status moves through five stages: Proposed, Open for voting, Fundraising, Funded and Delivered.

EXAMPLE LAYOUT: REPLACE WITH APPROVED FUNDING PRIORITIES

PRIORITY	WHAT IT WOULD MAKE POSSIBLE	NEEDED	RAISED	STATUS
Funding priority 01	Short description of the resource, experience or improvement.	£0	£0	Proposed
Funding priority 02	Short description of the resource, experience or improvement.	£0	£0	Open for voting
Funding priority 03	Short description of the resource, experience or improvement.	£0	£0	Fundraising
Funding priority 04	Short description of the resource, experience or improvement.	£0	£0	Funded

Last year, around £12,000 helped fund a careers platform, outdoor seating, football pitch divider nets, SEND equipment, recital hall chairs, coach hire and science equipment.

FUTURE MAKERS

Help make more possible every month.

Future Makers are the people who give £10 a month to provide dependable funding for the resources, experiences and opportunities chosen by the Minster community. A regular gift helps us plan with confidence and turn more good ideas into something students can use.

Become a Future Maker for £10 a month

£10 a month is £120 of support across the year.

Other ways to take part

Give once

Make a one-off contribution to the annual target or a named funding pot.

Share an idea

Suggest a resource, experience or improvement for the community to consider.

Join an event

Take part in fundraising that brings the school community together.

Become a partner

Help fund a priority or support an event as a local business.

Our manifesto

When people can shape the priorities and see what their support achieves, fundraising becomes something the whole community can believe in.

Every student should have the chance to get more from their time at Minster, with opportunities to take part, try something new, develop their interests and feel proud of their school. School budgets cannot always stretch to every piece of equipment, experience, facility or idea that could add something valuable, so Minster More brings

the whole community together around a clear shared goal.

We believe fundraising works better when people can help shape it. Students, families and staff can suggest what Minster needs and take part in an open vote on the priorities. We then publish the target, track the funding and show what each contribution has helped deliver.

Whether someone gives £10 a month, attends an event, shares an idea, offers their time or becomes a local partner, every contribution can help create more opportunities for Minster students.

What could we make possible together?

Minster More is the working name of Southwell Minster School Parent Teacher Association. Registered charity in England and Wales, number 516332.

2026/27 TARGET MODEL

How we get to £50,000.

The target is built from seven income lines, each one a modest share of a known audience: 1,600 students and their families, and around 500 businesses in NG25. Together they model £60,100, which gives roughly 20% headroom on the £50,000 target.

£50,000	£60,100	£9,000	1,600
Target for the year	Modelled if every line lands	Current pot, carried in	Minster students · 500 NG25 businesses

WHERE THE £60,100 COMES FROM

Schemes — digital

INCOME LINE	ANNUAL PRICE	FAMILIES	TAKE-UP	INCOME
Future Makers, £10 a month	£120.00	160	10%	£19,200
50:50 Club	£30.00	160	10%	£2,400
Tickets	—	—	—	£1,000
Events	—	—	—	£1,000
DIGITAL SUBTOTAL				£23,600

Local business supporters

TIER	ANNUAL PRICE	BUSINESSES	TAKE-UP	INCOME
Supporter	£250.00	50	10%	£12,500
Partner	£750.00	10	2%	£7,500
Pot Sponsor	£1,500.00	5	1%	£7,500
BUSINESS SUBTOTAL				£27,500

CURRENT POT

£9,000

DIGITAL + BUSINESS

£51,100

POSSIBLE TOTAL

£60,100

Take-up percentages are planning assumptions, not commitments. Future Makers is the single biggest line at 32% of the model, so it is the priority ask; the business tiers together carry 46%, which makes local partnership work the second. Internal planning figures — do not publish take-up assumptions without committee approval.

BRAND GUIDELINES

The logo, the palette and how to use them.

The mark is the wordmark. The "o" of More is replaced by a plus inside a coral tile: it reads as more, as adding up, and it works alone as an icon. Everything else is type, space and two colours.

01 — PRIMARY WORDMARK

Minster M⁺ore

The fundraising community for The Minster School.

The default. Use with the descriptor line beneath it wherever the audience may not know the brand yet. Minimum width 40mm in print, 150px on screen. Clear space on all sides equals the height of the plus tile.

02 — STACKED LOCKUP

MINSTER M⁺ORE

For square and narrow spaces: banners, tote bags, event boards, the back of a raffle ticket. All caps, tight leading, never with the descriptor.

03 — SOCIAL ICON

Profile pictures and favicons only, where the full wordmark would be illegible. Never use the icon as the logo in print.

04 — ENDORSED SUB-BRAND

Future Makers

by **Minster More**

Future Makers always carries the "by Minster More" endorsement. It is a giving community, not a separate charity, and never appears with its own icon.

05 — IMPACT BADGE

Applied to things the community has funded: kit labels, plaques, signage beside a new facility. It marks delivery, so only use it once something is in use.

Colour

Minster Ink

#1E243C
oklch(0.24 0.05 258)

More Coral

#EE8C63
oklch(0.72 0.15 42)

Field Cyan

#2FBBC6
oklch(0.72 0.15 195)

Warm Paper

#FAF8F3
oklch(0.975 0.012 85)

Ink carries structure and nearly all text. Coral is for calls to action, progress and the plus tile — one accent per view, not a decorative wash. Cyan distinguishes funding pots and quiet governance notes only. Warm paper replaces white as the background everywhere.

Contrast: coral is a background colour, not a text colour. For coral type on paper use the darker #8F3D25 / oklch(0.42 0.13 40), which passes AA at body sizes. Never set coral text on ink, or cyan text on paper.

Typography

Archivo 800

Headlines, the wordmark, money figures and progress numbers. Always tight: letter-spacing -0.02em to -0.035em as size increases. Weights 700 and 800 only.

Sora 400 / 500 / 600

Body copy, buttons, forms and labels. 10–12pt in print, 15–18px on screen, line-height 1.55–1.6. Uppercase 500 at 8pt with 0.14em tracking for eyebrow labels.

Using the brand

DO

- Lead with real numbers: the target, the pot, the amount raised.
- Give the logo room and set it on warm paper or ink.
- Say "Minster More" in headlines and keep the legal name for the footer.
- Use clearly labelled image placeholders

until approved photography exists

DO NOT

- Rebuild the plus tile in another shape, colour or typeface.
- Stretch, outline, rotate or add a shadow to the wordmark.
- Use "PTA" as a headline or navigation label.
- Invent a school crest or borrow the

Minster Trust identity

- Add bunting, handprints, confetti, hearts or cartoon pupils.
